United Tissue Network Best of 2016 Award

UTN is proud to announce we have won the Best of Norman, Biotechnology Company award for 2016. We have also been inducted into the Business Hall Of Fame for 3 consecutive years.

National Donate Life Month

April is National Donate Life Month
Become a Pledged Donor Today!
www.unitedtissue.org/donorpledge

Celebrate National Donate Life Month with UTN as we encourage everyone to register as a whole-body and organ donor to make a difference for those of tomorrow. Whole-body donors support medical professionals who are dedicated to the advancement of medical technology, training and education. UTN has no upper age limits and accepts all BMIs, dementia's, cancers and much more. With UTN you can be a registered organ donor through your local organ procurement organization and still donate as a whole-body donor.

National Healthcare Decisions Day

Will you be taking initiative to plan your advanced directives on April 16th? National Healthcare Decisions Day (NHDD) exists to educate and empower people and providers about the importance of advanced care planning. Across the country many will participate in proactively planning for their advanced directives. Learn how you can join the movement: Here

Autism Awareness
I want to be a pledged whole-body donor today: **UTN**
I want to register as an organ donor today: **Donate Life**

**National Blue & Green Day**

Be sure to join us and many others in sporting our blue and green items on National Blue and Green day. Don’t forget to use #BlueGreenDay when posting your photos on social media.

**Schedule a UTN Presentation Today!**

Want to learn more about whole-body donation and how it's making a difference? Schedule UTN at your next meeting or event. Book us today!

**Autism** is a complex developmental disability that is present from early childhood. The disorder is characterized by difficulties in communication and repetitive behaviors. Autism is the fastest-growing developmental disorder in the U.S. and affects 1 in 68 children. April is National Autism Awareness Month which was launched nationwide to promote autism awareness, inclusion and self-determination for all. Learn how you can celebrate: [Here](#)

**Take a Swing at Cancer 2016**

Let’s fight cancer together for the upcoming 7th Annual Take a Swing at Cancer golf tournament on April 26, 2016. Your friends and family can join in on the fun to help raise money for a great cause by playing, volunteering, or sponsoring a hole. All proceeds from the tournament go to Relay for Life, the American Cancer Society’s signature fundraising event. Here are the details:
