

August is National Immunization Awareness Month, and we are working to help bring awareness of the importance of vaccinations for people of all ages.

Especially with school starting back up make sure your children (no matter what age) are up to date with all their vaccinations!

Need some tips to get ready for school? Check out this article: [Back To School Tips](#)

We'd also like to highlight that August 12-18 is National Health Center Week! Join us for this annual celebration and help bring awareness about the mission and accomplishments of America's health centers over the past five decades!

**News Update:**

We attended The Association For Bioskills Laboratory Excellence (ABLE) to learn how contributions lead to better outcomes. Particularly in terms of advancing Physician skills and enhancing patient outcomes!

**Upcoming Events:**

We're attending Hospice of Green Country "Being Mortal" conference. The conference will discuss how medical professionals can better assist people to navigate the final chapters of their lives.
