April showers, bring May flowers...

May is such a fun time of the year because gardens are always flourishing and the weather and sunshine always remind us of vacation and family.

May is also Skin Cancer Awareness Month! Skin cancer is America's most common cancer and according to the Skin Cancer Foundation, almost 90% of non-melanoma and 85% of melanoma cancers are associated with unprotected exposure to the sun.

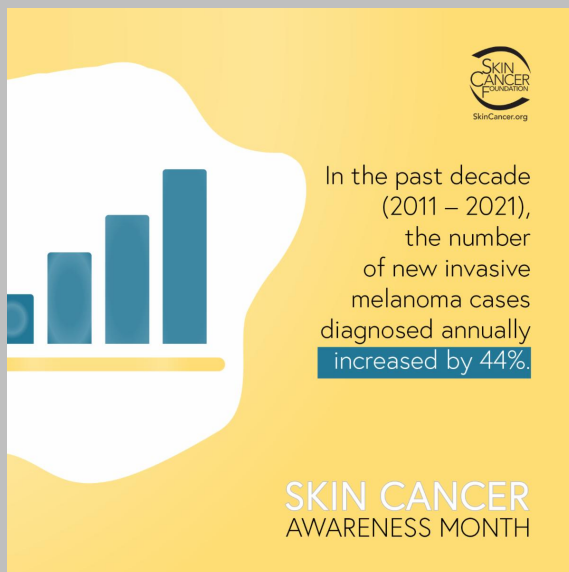

You can help #sharethefacts about skin cancer and help #savelives!

Stay safe, stay healthy!

Watermelon-Basil Smoothie

Summer is the PERFECT smoothie weather! If you are looking for a recipe to shake things up, or just to try something a little different, this watermelon-basil smoothie is ultra hydrating and SO delicious!

Ingredients

- 5 cups of cubed watermelon
- 1/2 cup of fresh coconut water (chilled)
- 4 large, fresh basil leaves

Directions

1. Place all ingredients in a

Have you been

affected by skin cancer?

"As difficult as it was to see my parents move on, your company provided a service that not only helped me financially, but provided me with the remains of my loved ones...who both wished to be remanded to Mount Susitna in Alaska. Their ashes will be joined with many of their friends on what would of been their 53rd wedding anniversary. God blessed me with 50 wonderful years with them and will reunite me when it is my time. God bless you all for the work that you do."

Patrick M.

blender and blend on medium until smooth

2. Serve immediately with a sugar rim OR a basil leaf for a garnish

Tell Us Your Story!

Visit our Donor Tribute Page to read the beautiful memorials left by our past and future donors as well as by the family members of those who have donated. We provide this service as a way to continually honor and remember all the loved ones who have made a difference in the lives of many through our donation program.
