

A nonprofit whole-body donation organization.

Thank you for submitting your completed **Donor Information Form** to become a pledge with United Tissue Network (UTN). This will provide further peace of mind for you and your loved ones at the end of life.

Please refer to the **Donor Pledge Card** on this sheet. This will serve as your registration identification. We encourage you to share your decision with your family, friends and those individuals who will be asked to carry out your wishes. Please print as needed for your family.

**Please Note:** being enrolled as a pledge is not a guaranteed acceptance into our donation program. Acceptance is determined with the completion of the medical/social history, which can only be obtained at the time of passing, or when entering hospice care. If you are receiving hospice, please call us immediately at 1.877.738.6111 and we will be able to start the process of pre-approving you for our S.E.T. program.

Whole-Body Donation is making a difference in everyday lives. We thank you for making the pledge to help those of tomorrow. If you have any questions, or need to update the information in your file, please feel free to contact our Pledge Department at 1.877.738.6111, or contact us via e-mail at [donorinfo@unitedtissue.org](mailto:donorinfo@unitedtissue.org).

Sincerely,
